### HISTORY

In 1917 there was a group of families that sought to worship together. The church formed in a school south of where it is presently located. Five years later the members built on its current location. In 2022 we celebrated our centennial of church life in this building. Over the years EEMC has flourished into a group of Believers that focuses on missions in our area, with a desire to assemble, grow and worship God together.

### COMMUNITY PROFILE

The church community includes Holden, AB, which boasts the Holden Museum Historical Society, the Holden Agricultural Society, the Art Gallery and a Public Charter School (Grades 7-12) focusing on work-based training. Holden is located halfway between Viking and Tofield, 30 min south of Vegreville and 50 minutes from Sherwood Park.

The church community also includes Vegreville, AB. A town of 5000 with many local amenities and where the majority of our young church members attend school at either the Catholic or Public school. Vegreville is located on highway 16 west of Edmonton, conveniently only 50 minutes to Sherwood Park.

Over the last few years our church has seen growth that is more than we have seen in years. This is an exciting time for us as a church.

A parsonage is available if required.

## Mission

*To go into the community and spread the light of Jesus*

## CHURCH FAMILY

We, as a church family, feel very strong. We have had gaps, during previous pastoral searches, and it is in these times our members have had to step in, flourish and grow in their love of Jesus. We have seen God given gifts arise from these times and new strengths from our family.

We are seeking a strong pastoral leader who can come and shepherd this flock.

Our church is very unique, we are small but we are mighty. All of the congregation wants to be present and wants to take part. Some of us are a biological family but ALL of us are a church family. Our families are connected through generations.

*To grow in Christ together  
Support and care for one another  
Make a difference in the community  
Demonstrate compassion to others*
